Parish

G. WRINGTON

This is a group of low round barrows situated on gently sloping ground or very close to the valley bottom of the head of Goblin Combe. They have suffered much from ploughing. Their situation resembles the Tynning's Farm group, T10-14, and they probably mark a trade route. T35A can only be identified as a crop mark.

 Proc. 1926:2,(3):278 & 1938:5;(1):82 and 84
 Not marked on O.S map 1941 ed.
