

Library—List of Periodicals

I. BRITISH EXCHANGES

In this section the societies and clubs producing publications with which we exchange are listed. Unless it is stated otherwise we are receiving all the publications produced by that society. Where an exchange is with a specific publication not produced by a society then the name of the publication is listed.

Axbridge Caving Group and Archæological Society.
 Bristol Exploration Club.
 British Caver.
 British Speleological Association (Cave Science only).
 Chelsea Speleological Society.
 Craven Pothole Club.
 Mendip Nature Research Committee.
 Northern Cavern and Mine Research Society.
 Shepton Mallet Caving Club.
 Somerset Archæological and Natural History Society.
 South Wales Caving Club.
 Wells Natural History and Archæological Society.
 Wessex Cave Club.
 Wiltshire Archæological and Natural History Society.
 Yorkshire Ramblers Club.

2. OTHER CURRENT BRITISH PERIODICALS

The list below is composed of various society and other publications with which we do not exchange but which are kept up to date in the Society's library by purchase or by gifts.
