Bob's expertise in the identification of bones, along with his kindness and good humour are sadly missed and we send our sympathy to his family, Anne, Jayne and Mark.

#### Mrs. MAISIE O'CALLAGHAN

Older members will be particularly sorry to hear of the death of Mrs. O'Callaghan of Ballynalacken Castle last April. She was hostess to our caving parties throughout the fifties and early sixties. And we loved her.

Joan Pitts, who has known her longer than most of us writes as follows:

'And did ye come through Kilfenora?' she would ask, bubbling with enthusiasm for her visitors. Potholers, botanists and mothmen all came to Ballynalacken, as did the UBSS 35 years ago, to camp on the lawn and were treated so kindly. Maisie rarely went away, except to Lourdes.

We shall miss her, and the nicest thing I can say about her is, that she was one of the nicest people I have known.
